Learn about the final step in completing your projects: Binding! This two-day class will cover the kinds of binding and their uses. On the first day students will learn how to make both straight-edge and bias bindings and apply them by machine to a sample project. The second day will be devoted to binding your own project. Ideal for quilters of all skill levels!

Skill Level: All

Supplies Needed:

First Day of Class:

- ☐ Sewing machine in good working order (remember your pedal and power cord!)
- ☐ Walking foot for your machine (strongly recommended)
- ☐ Thread
 - ✓ NOTE: Bring 2-3 colors that contrast with your fabric choices
- ☐ Four or five fat quarters
 - ✓ NOTE: You will be using these fat quarters to make binding and apply it to a sample "project." This is a great opportunity to use that "ugly" fabric from your stash!
- ☐ 6" x 24" ruler; if you have a small square ruler (around 5") bring that one too
- ☐ Rotary cutter with a new or new-ish blade
- ☐ Fabric marking tool (e.g. one that disappears with water or heat)
- ☐ Basic sewing supplies, to include a new needle for your machine and an extra bobbin or two
- ☐ OPTIONAL: 18" x 24" cutting mat for your table
- ☐ OPTIONAL: Wonder Clips (nice to have for holding your corners together!)

****You will be provided with a sample "project" in class.****

Second Day of Class:

- ☐ A quilted project that needs binding
- ☐ Fabric for your binding
- ☐ Thread to match your binding
- ☐ Sewing machine in good working order (remember your pedal and power cord!)
- ☐ Walking foot for your machine (strongly recommended)
- ☐ 6" x 24" ruler; if you have a smaller square ruler (around 5-6") bring that one too
- ☐ Rotary cutter with a new or new-ish blade
- ☐ Fabric marking tool (e.g. one that disappears with water or heat)
- ☐ Basic sewing supplies, to include a new needle for your machine and an extra bobbin or two
- ☐ OPTIONAL: 18" x 24" cutting mat for your table
- ☐ OPTIONAL: Wonder Clips
