Home # 707 469 9285

In this class I'll teach you how to make an Exploding Heart Quilt. I'll also be teaching the American flag version of the exploding heart. In this version instead of the many background blocks that are used in the pattern, I made those into strips. If you'd like to do that version use the cutting chart attached.

Please bring the following to class:

(supplies purchased at Cloth Carousel are discounted 10%)

- Exploding Heart Quilt pattern
- Clearly perfect slotted Half Square Triangle Trimmer
- Sewing Machine, and all the goodies that go with it. Don't forget your power cord and foot pedal
- Coordinating Thread
- Small Cutting mat, rotary cutter, ruler
- Frixion pen

\*\* Prior to class, please pre cut fabric according to pattern
