The Pineberry quilt is traditionally pieced and finishes 60 1/2" x 68 3/4". The pattern is fat quarter-friendly and recommended for the advanced beginner sewist and up. The pattern includes a bonus Jam Jar block pattern and instruction for an alternate quilt layout. *I will not be teaching this as part of the class but am happy to answer any questions about it.

This pattern requires strong foundational quilt knowledge such as rotary cutting, accurate piecing, careful trimming and 1/4 seam skills.
