Join Mel for making a Square Neck Top from Friday Pattern Company. The Square Neck Top is a boxy dolman sleeved top with a square neckline. This project is a great beginner garment sewing pattern and includes pattern pieces to make the top from a knit or woven fabric! It is simple to make minor adjustments to fit your body just right. This pattern is size inclusive from XS-7X. You do not need garment sewing experience, however you **MUST** know how to sew to take this class.

Session 1: A quick class where we will discuss fit, fabric selection, making a muslin and tracing the pattern. We will not be sewing during this session, however you should have your pattern and preferably have your measurements written down for us to plan for the size you want to make. You should cut your fabric pieces prior to the next session.

Session 2: Sew your top!
