

## **EMBROIDERY WORKSHOP FINISHING SUPPLIES**

NOTE: All stitching must be finished on both the outer layer and lining.

You will need two width of fabric (42") strips of fabric for your binding. Cut them 2 1/4" wide.

Thread to match your binding strip

Sewing machine and walking foot (if you have one). Bring ALL FEET available, we may need to use a zipper foot or single stitch foot if your stitching is too close to the edge.

Rotary cutter, mat, and short ruler with 45 degree line included

Several straight pins

Plastic clips if you have them

Hand sewing needle for finishing binding

Scissors and Xacto knife (if you have one)

Two thin magnetic bag closures (Sallie Tomato, Wawak, or Noodlehead)
