

Quilt Barn Art Teacher Anelie Belden

In this artful, quilt-inspired Barn Art Class, you will create your very own work of barn art on wood. We offer several designs to choose from, or you may bring your own custom, pre-drafted design to scale. Your finished masterpiece will measure approximately 24 inches. No prior artistic experience is needed for this relaxing, fun, and creative project. We provide expert, step-by-step directions, sharing plenty of tricks and hints along the way. For a reasonable kit fee, you will receive most of the materials you need, including paint, brushes, a pattern for your chosen design, and the prepared wood base.

Students have these designs to choose from for class and the kit includes a pattern for the design they choose to do. The block design is 22" with added 1" border. Finished Project is approx. 24" (Note: When cutting the wood it is very difficult for it to be exact. The border gives us a little wiggle room to assure the design will not have points cut off the edges.) A pattern for the chosen design will be in the kit and given in class. Students who wish to do their own design must have it drafted to size and please let me know so we can be sure it will work.

Supplies Students should bring- in addition to "Kit" items

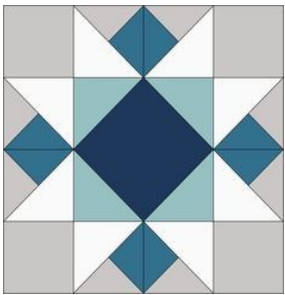

- 1 Large garbage bag to cover table
- Apron to protect clothing
- 2 containers- 1 for water and one for brushes
- Green Frog masking tape- 1 roll any width- I highly recommend this tape. Others may not work as well.
- Paper Towels for easy clean up
- Pencil with an eraser
- Hair drier or small fan to dry project quicker- this can be shared between a few people
- Ruler to draw lines 12" to 24"
- X-Acto Knife

Kit to purchase at \$38.00.

- 24" square piece of 1/2" plywood. Wood is sanded and primed.
- Pattern of your choice
- Assortment of Acrylic paints. Variety of colors to choose from.
Please bring your own if you have specific colors you want.
- Carbon paper- enough to make a 24" square
- 2 sponge paint brushes
- Wooden skewer and Q-tips

If you have any questions please contact Anelie at abquiltteacher@gmail.com or call 209-418-8543

Below are some of the design choices for the class. Please email me which you would like to do.
