Supplies needed

1. Sewing machine in good working order and owner's manual
2. Needles of machine (jeans/denim 80/12) \*
3. Patterns (after your first project we will discuss others that you want to do , these are just to get you started): Pajama bottoms( MCalls is my favorite)

Apron

4. Fabric plus 1/2yard extra for matching and mistakes\* \*\*Prewash fabric prior to class
5. Thread to match ( Coats and Clark, Mettler, or Gutterman)
6. Notions as indicated on pattern package (buttons, elastic, snaps, buttons, etc.)
7. Seam ripper
8. Fabric sheers
9. Paper scissors to cut out pattern pieces
10. Seam gauge
11. Thread snips
12. Ruler and flexible tape measure
13. Pins and pin cushion
14. Hand sewing needles ( multi packs are fine)
15. Marking pens or pencils ( I like the water soluble pens)
16. Pen and paper for notes if you wish
17. Tracing material (Dosew, or Swedish tracing paper, we have this at the store)\*

\* I recommend the Jeans/denim 80/12 for most of our projects if you are doing any of the Amy Butler purses you may need to get the Jean/denim 100/16. This is due in part to fabric thickness and making sure that the needle does not break on you when sewing.

\*I always like to get the extra for if there is a mistake made, and also if you need to match plaids and or stripes. Also if there is only just a little left go ahead and get it for it will not always be there when you need to get it next time.

\* There is usually Swedish tracing paper at the store for this is what I like to use to trace out my multi size patterns, and keep other sizes on hand for later use. I hate to have to go out and buy the patterns again.

\* please make sure when looking for a pattern look at bust , waist and hip size on finished garment as well as your actual measurments, **they are not the same as off the rack.** (at the bottom of pattern it will give you your finished size measurements.)

I look forward to seeing you in class. Have fun shopping for your fabric. Remember get fabric that calls to you.
