## About the Line

When my goddaughter was born last year, I found myself thinking often about her moments of sleep: her cradle and everything around it, an atmosphere to wrap her and make her feel safe.

*Twinkle Little Star* is a collection inspired by those peaceful and magical moments: the mobiles flying over the cradle, the lullabies we sing and the gentleness with which we swaddle them.

You'll find sheep to count, comforting moons, fluffy clouds and thousands of stars scattered through the night sky.

For all the new babies we welcome to the world, and specially for you, little Aina.
