Mira: Neutral Sophistication with a Natural Soul

Introducing Mira, a collection designed for quilters who appreciate modern simplicity with a touch of warmth. This line combines graphic, nature-inspired motifs with a calm, neutral palette ranging from soft sand and stone to deep charcoal and black.

The subtle textures and organic shapes make Mira incredibly versatile – perfect for contemporary quilts, timeless home décor, or minimalist accessories. Every print in this collection tells a story of understated elegance, allowing your creations to feel both grounded and effortlessly stylish. This is where you write your description for your fabric collection.
