

Petalush

BY KILEY'S QUILT ROOM

Step into Petalush, a whimsical garden where blossoms, beetles, moths, and even curious little slugs come together in harmony. Inspired by the wonder of a fairy garden, this collection pairs delicate florals with tiny critters, all wrapped in a soft palette of sky blues, petal pinks, and fresh leafy greens.

Petalush celebrates the hidden magic found beneath the leaves and petals — a world where every detail feels alive, playful, and unexpected. From fluttering wings to unfolding blooms, these prints invite quilters to stitch their own enchanted garden into their next project.
