

# *Poinsettia & Pear*

by Sherri & Chelsi

Poinsettia & Pear brings a touch of nostalgic whimsy to your holiday sewing, sharing some of Sherri's favorite things from childhood Christmases along with Chelsi's tribute to her earliest holiday memories. Sherri always knew that Christmas was around the corner when a lovely box of Oregon pears arrived from her aunt and uncle. And a Poinsettia was always present at Grandma's for Thanksgiving dinner, another sure sign that the holidays were quickly approaching.

Poinsettia & Pear combines whimsy and the magic of the season with beautiful florals and prints in a variety of sizes for celebrations today. Find a delightful mix of flowers, leaves, dots, stripes, gingham and houndstooth--plus poinsettias and pears! Beautiful shades of red, green, pink, and light grey create a palette not only classic but also modern for your Christmas and everyday sewing and quilting. You'll find that this beautiful collection is extremely versatile and works for sewing throughout the year in many different color combinations including reds, pinks, and greys for Valentine's projects. We can't wait to see what you make with Poinsettia & Pear!
