**ARTWORK**

Use Pigma® Micron® .05, Sepia. To add details to flowers.

Use Pigma® Micron® 1, Black to trace lettering and fill in.

Use DecoColor® Extra Fine Paint marker, extra fine point Liquid Silver, for highlight behind lettering and to outline brake lights. Be careful when pressing on this marker. Follow manufactures instructions.

**CHEATER SHEETS**

Enclosed are the pre-traced pieces for the Bluebonnets only. Insert 1292B2, pages 1 through 5.

These are to be used with Steam A Seam 2® and INK JET Printers only.

[ ] Steam A Seam 2® for Bluebonnets only 12 in. H x 74 in. W

Using a cutting mat, ruler and rotary cutter, cut five pieces exactly 11 in. H x 8 1/2 in. W.

Follow manufacture instructions for your **INKJET** printer. Steam A Seam 2® should be loaded one sheet at a time with yellow grid side in the direction it will be printed on. Copy pages 1 and repeat steps for remaining four pages.

**LAYOUT**

See enclosed "Layout" page.
