| VMCCD | Victorian Mice Collection | <p>The Victorian Mice Collection has 37 designs that take you through a day in the sewing studio. Most designs have been created for machine embroidery appliqué. Additionally, there are some embroidery designs that may be added to the appliqués to create your own sewing adventure. This machine embroidery applique project is great for quilts or crafts. The following formats are available: CSD, DST, EXP, HUS, JEF, PES, SHV, VIP, and XXX. Most designs are in a 5 x 7 sewing field but a few designs are in a 4 x 4 sewing field. A 5 x 7 embroidery hoop or larger is required. With the collection is an embroidery appliqué instructions document that explains the basics of appliqué sewing and provides the sewing order for each design.</p> |
