Wine Gift Tote

Description: The Wine Gift Tote would make a great housewarming, hostess, or holiday gift. Make one for yourself too. If it's anything like at our house, we are often grabbing a bottle of wine to take with to a party. It's so classy to arrive with your wine in a wine tote! Make the tote with one layer out of insulated batting. That way if you're going to barbeque or a cheese and wine picnic on a warm day, the tote would help to keep white wine cool.
