

Ruler Wrap

Instructor: Cynthia Kram

There are two sizes – small and large for the Ruler Wrap. I made the small version for the sample.

Fabric requirements: Small (Large)

Main fabric: 1 5/8" yards (2 1/4" yards)

Lining fabric: 1 5/8" yards (2 1/4" yards)

Coordinating fabric: 2 yards (2 1/4 yards)

By Annie Soft and Stable 54" x 45" (76" x 54")

Mesh fabric: 18" x 54" (27" x 54")

Polypro strapping: 7 yard of 1" wide for each size

Zippers: small – four 30" double slide zippers and one 24" slide zipper

Large – six 30" double slide zippers and one 24" slide zipper

Hardware: *same amount for both sizes*, four 1" rings, two 1" hooks and three 1" sliders

If using a 1 way design you will need at least 1/3 yard extra of the main, lining and Soft & Stable. Cut the main, lining and Soft & Stable 10" longer then stated in the pattern before quilting. You will then be able to cut out all of the pockets with fabric design in same direction.

Pattern: Ruler Wrap from ByAnnie

Sewing Machine in good working condition, 1/4" foot, quilting foot and zipper foot

Basic sewing supplies, pins, seam ripper, scissors, etc.

Matching thread for quilting and assembly

Fabric marking pencil, I prefer the SewLine Chalk markers. They come off easily with a damp cloth.

Rotary cutter, rulers and mat.

Wonder clips

Pre Cutting directions:

Following the quilting directions in the pattern pre-quilt the main fabric as directed before class. I pre-quilted the main/lining fabric myself and if you have a longarm or now someone who can longarm it for you, it will make it much easier to do.

You can pre-cut all of the fabrics pieces before coming to class. If you want help cutting out your quilted fabric or if you are using a 1-way fabric bring it to class and I will help you with it.
