Woodworking with your Embroidery Machine

Supply List:

- Embroidery machine and unit
- Embroidery foot
- Hoop: **Sample was done in a 9.9X9.5” hoop. A 6X10” will give a smaller result and is not recommended** Note: When choosing a hoop you want the balsa wood to lay flat in the hoop. If the sides or top/bottom is hanging over, it could get caught and potentially split.
- Stabilizer: Perfect Stick
- Needle: Embroidery size 75
- Bobbin: Cream and dark brown
- Wood: Balsa 1/16”: here is a link of where I order from
https://www.nationalbalsa.com/basswood_sheet_p/1161224bsh.htm
- Assorted threads: Definitely a dark brown
- Fabric: Assorted scrap fabric for appliqué
- Anita Goodesigns: Barn Quilts. This was in the class fee. You should have an email to download it
- Please have designs on a jump drive ready for class
- Barn Quilts printed PDF directions. These directions are on the CD or download
- Rotary cutter, long ruler and mat
- Embroidery and paper scissors
- Usual embroidery supplies

Order soon so you get it on time for class!
