Linus Star

Be a star as you learn to create this beautiful quilt featuring a large star, made from squares and no triangles. Perfect for a beginner quilt, but we ask that you have some experience.

Materials: Finished quilt approximately 36" square

For the top:

Main Color - 3/4 yard; please cut out 8 squares 8 1/2" each before class

Contrast Color - 1 yard; please cut out 8 squares 8 1/2" each before class

To finish:

Batting - at least 40" square

Backing Fabric - approximately 1 1/4 yards

Project Linus can supply fabric thanks to a generous grant from Orange and Rockland Utilities; fabric will be enough to complete the top, including the border. We ask you to finish using your batting and backing. If you want fabric provided please email ron@creativesewingshops.com by 10/15. Thanks!
