Freestanding Quilter's Tissue Box Cover

- Sewing machine
- Power cord
- Embroidery unit
- Embroidery foot
- Hoops: 5 x 7 or 6 x 6
- Stabilizers: Wet-N-Gone and Water Soluble topping.
(you need enough stabilizer for 5 with 2 layers in each hooping)
- 2 Felt sheets 9" x 12"
- Embroidery thread: Each side can take up to 6 different threads (I did it in 4 threads)
- Empty bobbins (you will make bobbins to match your top threads)
- Size 90 Embroidery Needles
- Fabric and Embroidery Scissors
- OESD Alligator clamps and clips (Above and Beyond stocks it)
- OESD Quilted Tissue Box Cover CD
- Please bring a printed copy of the PDF directions
- Box of Tissues (brought in for the second class)
- Usual Embroidery supplies
- Pen and Paper for taking notes
