Ohio 2016

Win a prize for sewing! Complete a quilt using at least 8 different rows from 8 different 2016 participating shops. Be the first to bring it into a shop to win a stash of 25 fat quarters. (That's 6-1/4 yards of fabric!) Win a bonus prize for using that store's row in your quilt. A quilt will be considered "complete" when it is quilted, bound, and labeled.

Use any pattern to layout your rows. You decide. Stack your rows, arrange around a center medallion, make them horizontal, vertical, upside down, on the front, on the back, whatever! You are the designer. Be creative and have fun, but be sure to use at least 8 different 2016 rows.

The important disclaimer: One prize per quilter. You may make several quilts and show them off in several shops, **but you may only claim one prize.** Your quilt will be photographed for Facebook and everyone will see it, so play fair!
