Supply List:

From 9 different Christmas fabrics – 5” x wof

Star fabric (gold, silver or white) – 8” x 8”

Trunk (brown) – 10” x 10”

15” x 42” of very thin batting

One piece of card stock, bosal, peltex or soft and stable (for inside of star to keep its shape)

Pattern “For Evergreen” by MP Studios

Sewing machine in good working order with power cord and foot pedal

Machine foot for straight stitch and zigzag stitch

Thread for piecing (it won’t be seen)

Thread to go around the star (match your material, used in top and bobbin)

Seam ripper

Point turner (I like OESD Expert point & press tool)

Fabric glue or glue stick

Cutting mat (mats will be available in class for sharing; if you want your own, pls bring it!)

Rotary cutter 45mm

Cutting ruler 6’ x 24” and a 6” x 12” (the smaller length makes life easier but isn’t a total necessary)

Small scissors

Pins
