

Knits Serger Techniques Class

(also How to use the Knit Binder)

Pattie Otto

Friday, September 25th

1:00 pm – 4:00 pm

Description:

This Hands on class will teach you how to master the four basic techniques needed for serging knits: seaming, neckbands, hems and applying elastic. This hands-on class covers basic seaming on a variety of knit types and where and when to use stabilizers and topstitching. Practice four different neck band techniques including how and when to use the Knit Binder. Several hemming options will also be covered including cover stitch basics on a variety of knit fabrics. Simple elastic waistbands for pull-on pants will be explored as well as a professional cover stitch option.

You will complete multiple samples with detailed class worksheets that you can apply when making knit garments. Questions? Contact Pattie Otto at info@greatcopy.com.

Pre-requisite: Basic knowledge of your serger including converting from 4 thread serging to cover stitch and back.

Class Time: 3 hours

Kit Fee: \$15 includes Knits for the Absolutely booklet, worksheets and fabric for samples. Kit fee is payable to Pattie at the class.
