April 2026 IQ Club

The Book was Better

Saturday, April 11th

1:30 pm – 3:30 pm

This month we will use IQ Designer to create a reverse applique design. We will work with built-in lettering and the IQ tools (line properties, fills, and editting tools) to create our design. We will talk about applique finishing stitches and regular applique as well.

Supply List:

- Embroidery Machine in good working order with IQ Designer, power cord, embroidery foot, 10⅝" x 10⅝" hoop, etc.
- **We will stitch if time permits.**
    - No-show Mesh Stabilizer
    - Project fabric (I used a T-shirt)
    - Applique Fabric
    - Thread colors for applique and lettering
    - Finishing Touch Bobbin
    - Fine point scissors for trimming
    - Marking Tools
    - General embroidery supplies (snips, tweezers, rotary cutter, etc.)
