Lemon Pillows

Saturday, August 9th

10:30 am – 12:30 pm

This month we will be working with the lemon designs added to the Solaris/Solaris 2 with Upgrade 2 or included on the Solaris Vision. We will explore the stippling key and how to add stippling, echo quilting and decorative stitch quilting around an embroidery design. We will not have time to stitch our designs during class. This project is from the Baby Lock Projects list.

Supply List:

- Solaris (with Embroidery category 2-3) embroidery machine in good working order w/ power cord, stylus, mouse (optional but helpful)
