

# August 2026 IQ Club

## Pumpkin Towel

Saturday, August 8<sup>th</sup>

1:30 pm – 3:30 pm

This month we will digitize a pumpkin design. My sample was placed on a towel, but this design could be stitched on another project if desired. We will be working with the scanning board and importing artwork from a usb. We will also be working with editing artwork, line types, and fill types. Terri will provide the pumpkin design for scanning and importing via a USB.

### Supply List:

- Embroidery Machine in good working order with IQ Designer, power cord, embroidery foot, 9.5" x 9.5" hoop or larger, mouse
- Scanning Board and magnets if available for your machine
- USB for those machines without a scanning board capability
- Design suites if desired
- **We will stitch one section if time permits.**
  - Tear Away Stabilizer
  - Fabric/Towel
  - Thread colors for pumpkin, stem, leaves
  - Finishing Touch Bobbin
  - General embroidery supplies (snips, tweezers, rotary cutter, etc.)
