

December 2025 Embroidery Club

USB Fob with Pocket

Thursday, December 11th

10:30 am – 12:30 pm

We will be stitching an In-the-Hoop USB fob with pocket. Adding personalization to a layered embroidery design will also be discussed. Terri will be providing the embroidery design.

Supply List:

- Embroidery Machine in good working order w/ cord, embroidery foot, 4x4 or 5x7 hoop, flash drive, etc.
- Dissolve Away Mesh (2 layers to fit hoop)
- Fabric
 - 5" x 3" fabric for Front lining
 - 5" x 3" fabric for back
 - 7" x 3" for pocket
- Embroidery thread
 - color of choice for personalization
 - color of choice for satin edge finishing with matching bobbin
- 10" of cord (<1mm diameter) OR ribbon (1/8" or 1/16") for loop
- Embroidery Needle 75/11
- Offset handle or applique scissors for trimming fabrics
- Hoop Grip
- Eyelet Punch (orange handled tool that came with machine) or OESD Perfect Punch Hole Punch Tool
- General embroidery supplies (snips, tweezers, small ruler, etc.)

Terri's sample used 2 fabrics, 2 threads, and 1mm satin cord.
