

# December 2025 Solaris Club

## Lined Drawstring Bag

Saturday, December 13<sup>th</sup>

10:30 am – 12:30 pm

This month we will be create a lined drawstring gift bag using several tools built into our machines. We will work with the guideline features, “J” foot markings, and other machine features. We will also discuss ideas for embellishing our gift bags.

### Supply List:

- Solaris machine in good working order w/ power cord, Regular Shank Adapter, J foot, Foot Control
- End Point Sewing Stickers
- Fat quarter of fabric
- 2 – 24” pieces of ribbon/cording for drawstrings (ribbon should be no wider than 3/8”)
- Construction thread to coordinate with fabric
- Rotary Cutter and Ruler (12-14” ruler is sufficient)
- Bodkin
- Pointer turner
- Marking tool
- General sewing supplies (pins/clips, snips, tweezers, etc.)
