In-The-Hoop Tablemat

Saturday, December 9th

10:30 am – 12:30 pm

This month we will create an in-the-hoop embroidery design using IQ Designer. This project is part of the Festive Placemats project from the Mastering IQ Designer Project and Instruction Book. Create this tablemat embroidery design, then change your fabric and fill selections to fit any time of year. We will not be stitching in class.

Supply List:

- Solaris in good working order w/ power cord, embroidery foot, stylus, mouse (optional but helpful)
