

January 2026 IQ Club

Valentines Candle Wrap

Saturday, January 10th

1:30 pm – 3:30 pm

This month we will use IQ Designer to create an In-the-Hoop Valentines candle wrap. We will work with line properties, fills, shapes, and editing tools to create our in-the-hoop projects. Stabilizers, personalization, in-the-hoop layering will also be discussed.

Supply List:

- Embroidery Machine in good working order with power cord, embroidery foot, 5x7 hoop, flash drive, etc.
- OESD BadgeMaster, Baby Lock HydroMelt, Floriani Wet N Gone (Enough to fit hoop, 1 layer of BadgeMaster or 3 layers of HydroMelt or WetNGone)
- Embroidery needle 75/11
- 5.25" x 5.25" piece of fabric for large heart
- 4" x 4.5" piece of fabric for small heart
- 5.5" x 7" piece for backing
- 1 yard of coordinating ribbon
- Embroidery threads to coordinate with fabrics and ribbon
- Bobbin wound with Finishing Touch thread
- Empty Bobbin
- Embroidery tape
- Sharp fine tipped scissors for trimming fabrics
- General embroidery supplies (snips, tweezers, small ruler, marking tool, rotary cutter, etc.)
