

June 2024 Embroidery Club

Placemat Embroidery

Thursday, June 13th

10:30 am – 12:30 pm

Materials fee: \$3 payable to Terri day of class

We will be embroidering on a Straw/Wheat placemat and discussing stabilizer options.
The materials fee covers the cost of the placemat (natural color).

Supply List:

- Embroidery Machine in good working order with power cord, embroidery foot
- Hoop needed for your chosen design (extra space to help hold the mat in place is strongly recommended)
- Floriani Perfect Stick Cut Away Stabilizer
- Wash Away Topper
- Embroidery threads for your chosen design
- 75/11 sharp Needle
- Flat Head straight pins, Embroidery Tape, and/or temporary spray adhesive
- Fine tipped scissors for trimming
- Embroidery supplies (embroidery/paper tape, thread snips, tweezers, small ruler, marking tool, etc.)

Before class: Choose design that can be stitched in 1 hour. My sample was 1 design placed and stitched 4 times. Depending on the design size/placement/# of repetitions, you may not have time to finish all of your embroidery.
