

June 2024 Solaris Club

Tapering Function

Saturday, June 8th

10:30 am – 12:30 pm

This month we will be exploring the Tapering Function. This is a technique class meant to help you to work with the tapering stitches. We will not be making a finished project.

Supply List:

- Solaris/Solaris 2 with Upgrade 3, Solaris Vision, Altair 2, OR Meridian 2 in good working order w/ power cord, “N+” foot and sewing shank
- Extension Table (optional)
