

# March 2026 IQ Club

In-the-Hoop Zipper pouch

Saturday, March 14<sup>th</sup>

1:30 pm – 3:30 pm

This month we will use IQ Designer to create an In-the-hoop zipper pouch as seen in the Mastering IQ Designer Project and Instruction Book. We will work with line properties, fills, shapes, and editing tools to create our in-the-hoop project. We will also discuss how to use these same instructions to create larger pouches and alternate design step sequences.

## Supply List:

- Embroidery Machine in good working order with power cord, embroidery foot, 5x7 hoop, flash drive, etc.
- Mastering IQ Designer Project and Instruction Book
- Supplies for pouch listed on page 165 of Mastering IQ Designer Project and Instruction book – **We will stitch if time permits.**
