10:30 – 3:30

Teacher: Cheryl McLeod

Sewing machine in good working order, with power cord and foot pedal

Rotary cutter and 6"x24" ruler

Pins

Clips

Matching thread

Small scissors

Any other sewing notions that you usually like having, i.e. seam ripper

1 $\frac{3}{4}$ yard of Main color fabric

1 $\frac{3}{4}$ yard backing fabric, flannel or fleece

$\frac{1}{2}$ yard extra of main or backing fabric depending on what you want your pocket to be made from. I personally like using the backing fabric for the pocket so that my feet can be in the warm pocket.
