## Working with larger quilts on your Sewing machine

---

We will explore quilting larger sized projects on your regular sewing machine. We will discuss pinning and techniques to help as well as pitfalls to avoid.

Saturday, September 2, 10: 30 am-12:30 pm

### Supply List:

Your sewing machine, in good working order, with power cord, free motion quilting foot, extension table, and slider if you have it.

Good quality quilt thread .....anywhere from 30 wt to 50 wt

Teal Creation Panel, as seen in the sample. Please ask at the counter for this.

A quilt sandwich made from the Creation panel, batting and backing. The panel is 24:" x 42", size you backing and batting 26" x 44" Pin the quilt sandwich liberally using safety pins.

Fabric marking tool of your choice. Make sure you can see it on the panel.
