

September 2023 Solaris Club

Working with Split Designs

Saturday, September 9th

10:30 am – 12:30 pm

This month we will use a built-in designs and IQ Designer to create a Fall Banner for your door or wall. If you don't want a banner you could also use this technique to create a pillow, quilt block, etc. We will learn how to send an embroidery design outline to IQ, create create a in-the-hoop project, and explore some different uses of the IQ editing tools.
