

PERFECT BINDING AND FINISHINGS

Learn a variety of finishes for your quilt -- give your quilt the finishing touch that it deserves. Pat Brousil will show you many different ways for completing that last step professionally. You will make a small sample of each technique in class. Pat's booklet explaining all the techniques is included in the class fee.

Materials list:

Sewing Machine

Pins

Small scissors

Hand sewing needle

1 spool dark colored thread

This class is easier to teach if I provide the kits because the bias will be pre-cut and we can concentrate on piecing and applying the binding.

The kit will include:

10 - 4" x 8" pieces muslin

5 - 4" x 8" pieces batting

about 40" bias

copy of booklet "The Finishing Edge"

The cost of the kit is \$6.00.
