more border treatments

We will be continuing with borders and how best to work with them. This time we will be doing a more geometric type border.

Supplies:

- Your sewing machine, in good working order, with power cord, foot pedal and free motion quilting foot, Extension table (if you have one) and supreme slider (if you have one)
- at least one quilt sandwich (top, backing, batting) using a plain or blender fabric, measuring 16"x16" , I pieced my sample, but this is not necessary for class.
- Quilting needle for your sewing machine, size 90/14 or higher.
- Good quality quilt thread (aurifil, etc.)
- Fabric marking tool (air away, wash away, chalk, frixion etc.)
- Drawing pad and pencil
- Any other basic sewing supplies (scissors, etc.) that you like to use.
- Recommended Notions: Machingers Quilting Gloves, Supreme Slider, Extension Table, Open toe quilting foot (if available for your machine).
