Using grid marking for Free Motion

We will be using grids as a foundation for quilting. Specifically we will explore the Orange Peel design.

Supplies:

- Your sewing machine, in good working order, with power cord, foot pedal and free motion quilting foot
- at least one quilt sandwich (top, backing, batting) using a plain or blender fabric, measuring 12x12 (at least)
- Good quality quilt thread (floriani, aurifil, etc.) In contrasting and matching colors to your fabric.
- Fabric marking tool: Frixion pen, water soluble pen, etc.
- A straight cutting ruler, any style, we will use this to measure and mark
- Drawing pad and pencil
- Extension table for your sewing machine (if you have one) and supreme slider (if you have one).
- (recommended) free motion quilting gloves (machingers, etc.)
- Any other basic sewing supplies (scissors, etc.) that you like to use.
