## Rotary Cutter Case

Thursday, September 16<sup>th</sup>

1:30 pm – 5:30 pm

Instructor: Terri Miller

Let's make Flying Geese! Don't worry about matching points! We will do piecing in the hoop using the sew-and-flip technique to achieve perfect points. Then we will turn our blocks into a stylish rotary cutter case.

Plus, you will receive the files to make a Block Tote and a handy sleeve to protect your Trimmer by George 2.0 so that you can create a trio of stylish accessories for your tools and blocks.
