

THINK HYDRATION.
THINK WATERBOY.®

PRODUCT INFORMATION SHEET INLINE SYSTEM (IL-4)

Shown with optional 50' Sanitary Hose

- This city-water pressurized system can re-hydrate up to 8 people at one time.
- Waterboy Sports' patented Safety Spouts prevent the nozzle from coming into contact with the drinker's mouth, reducing contamination possibilities.
- To further reduce the risk of bacterial transfer, ALL Safety Spouts are treated with an anti-microbial.
- Can be connected to a Horizontal Chiller system when chilled water is desired.
- Like all Waterboy Sports Pressure-fed Hydration Systems, this model requires no cups, thereby eliminating clean up time and saving landfill space.

Available accessories:

1. Horizontal Chiller (no cart or manifold) (HC-100)
2. 50' Sanitary Hose (SH50)
3. 10 gallon Vertical Chiller (VC-10)
