

Take your quilting to a whole new level with HoopSisters and the 2019 Embroidablock of the Month Club. We are thrilled to be able to offer this opportunity to you again for 2019.

The HoopSisters method uses embroidery machines to create gorgeous quilts in the hoop. This project combines piecing, embroidery and quilting all in the hoop. The results are breathtaking!

If you have never used your embroidery machine in this way, have no fear. Instructional classes are included each month for the 5-month duration of the club. Our club facilitator, Glynnis, will show you how it's done. So what are you waiting for? There is never a better time than now to treat yourself to a new project, a new technique and learning new skills; and just look at the end result. Wow! It will be an intricately beautiful quilt...Fleur De Lis!

When: This 5-month club runs April - August 2019, with classes being held on the **second** Thursday of each month from 6 to 8 PM (1st month) and 6 to 7 PM (2nd – 5th months).

_____ I am paying the entire Club fee (Registration and monthly fee) of \$250 today and understand that this is **non-refundable**. If paying by February 28, 2019, I will receive a 10% discount (\$25).

_____ I am paying the \$75 **non-refundable** registration fee today and am authorizing my credit card to be charged \$35 each month during the club period (April - August 2019) whether I attend the monthly class or not. If I can't attend the class, I authorize Among Friends Quilt & Sewing Center to charge my credit card for the \$35 monthly fee. In that case, I will come pick up my embroidery file at my convenience after the class date. I understand that this is a five-month obligation on my part.
