

HQ Sweet Sixteen®

16" Longarm Quilting Machine for Sit-down Use

If you love to free-motion machine quilt but struggle to fit your project in a small throat space, you're going to love the HQ Sweet Sixteen®. Sixteen inches of throat space gives you room to quilt even a king-size quilt. The smooth surface of the included table allows your project to glide under the needle. The powerful motor handles quilting with ease and stitches up to 1,500 stitches per minute. Choose your own top speed and set it on the easy-to-use color touch screen.

INCLUDED IN THIS PACKAGE

- HQ Sweet Sixteen 16" Longarm Quilting Machine
- Included Table - Height Adjustable 26" - 42"
- 4 extra bobbins, 20 needles, sample thread pack
- Getting Started DVD
- Nationwide Dealer Rep Support
- HQ Customer and Technical Support

Features and Benefits

- Full 16" of throat depth provides more than three times the quilting space of domestic sewing machines, with over 8" of vertical space
- Smooth table surface assures even quilting
- Stitching speeds of up to 1,500 precision stitches per minute
- High-speed rotary hook with large capacity "M"- class bobbin
- Hopping foot prevents fabric movement during a full-stitch cycle
- Uses your favorite threads: cotton, polyester, metallics, holographic, etc.; allows for bobbin work with larger threads
- Easy needle change with ergonomic thumb screw
- Innovative LED light ring illuminates the quilting area
- Useful half-stitch for basting or walking stitch, controlled with touchscreen or foot pedal
- Responsive foot pedal
- Works with HQ rulers and templates for perfect stitch-in-the-ditch and curved quilting
- Easy setup and take-down
- Adjustable color touchscreen with access to settings such as:
 - Customized speed control with three pre-set speeds
 - Stitch counters: lifetime and resettable trip meter
 - Serial number display
 - Hardware and software information
 - Diagnostics
 - Volume control
 - Calculator
- Table size: 36" wide. 30" deep
- Optional accessories for Sweet Sixteen:
 - Open-toe hopping foot
 - Horizontal spool pin
 - 18" x 30" table extensions
 - TruStitch stitch regulation
 - Table overlay to create a smooth and even surface (recommended for use with TruStitch and approved for quilting with rulers and templates)
- Made in the USA 

Designed by a Quilter, for Quilters.®

TruStitch™

Full visibility stitch-regulation for your HQ Sweet Sixteen®

Introducing the most technologically advanced way to sit-down free motion quilt with stitch-regulation. Handi Quilter's HQ Sweet Sixteen is simply the best way for quilters to tackle large quilting projects with a longarm sit-down machine. With the introduction of TruStitch, quilters are now able to create quilt designs with beautifully even stitches. We just know that you will love this companion for your HQ Sweet Sixteen.

Features and Benefits

- Designed for use with the HQ Sweet Sixteen sit-down longarm quilting machine
- Innovative new stitch-regulation system that measures your movements for choreographed stitch-regulation
- Perfect for all free-motion quilters from beginning to advanced
- Easy to learn how to use and operate the system
- Achieve consistently even stitch lengths, regardless of stitching speed
- Full visibility of quilting area leads to easier quilting and greater flexibility with quilting designs
- Hundreds of trained HQ Representatives throughout the world
- HQ customer service and warranty

INCLUDED IN THIS PACKAGE

Controller: Advanced sensor that moves in harmony with the quilt to control stitch length.

Receiver: The receiver translates the signals from the controller to the machine to regulate stitch length.

Magnet: Optional-use tool for keeping the controller positioned on the quilt, freeing up your hands for certain techniques and methods.

Coaster: Attaches firmly to the edge of the quilt, allowing more flexibility for quilting small projects or quilt borders.
