CONSTRUCTION:

Blocks - Make 20

Small star (center of large star)

1. Draw a diagonal line, from corner to corner on the wrong side of an assorted (red, green or gold) 2" square. Place the square, right sides together on one end of an assorted cream 2" x 3 1/2" rectangle.
2. Stitch on the line. Trim 1/4" away from the seam line and press. Repeat on the other end of the rectangle. This will make a flying geese unit, measuring 2" x 3 1/2".

- Repeat to make a total of four matching flying geese units.
- Sew two of the flying geese units to the sides of a corresponding $3\frac{1}{2}'' \times 3\frac{1}{2}''$ square.
- Sew a corresponding cream $2''$ square to each end of the two remaining flying geese. Sew these to the top and bottom of the star unit. This star will measure $6\frac{1}{2}'' \times 6\frac{1}{2}''$ unfinished.
- Make 20 stars with assorted cream, red, green & gold fabrics.

Large Star

- Pair a Blue Tiny Words & Snowflakes $3\frac{7}{8}'' \times 3\frac{7}{8}''$ square and a Blue Let It Snow $3\frac{7}{8}'' \times 3\frac{7}{8}''$ square. Draw a diagonal line, from corner to corner on the wrong side of one of the squares. Place the two squares right sides together and stitch $\frac{1}{4}''$ from each side of the drawn line. Cut apart on the line. Press seams and trim the "ears". This will make two half-square triangle blocks, measuring $3\frac{1}{2}'' \times 3\frac{1}{2}''$.

- Repeat, for a total of four half square triangle blocks.
- Follow previous instructions to make four flying geese units with Blue Let It Snow $3\frac{1}{2}'' \times 6\frac{1}{2}''$ rectangles and assorted cream $3\frac{1}{2}'' \times 3\frac{1}{2}''$ squares. Make four. This will measure $3\frac{1}{2}'' \times 6\frac{1}{2}''$.
- Sew a flying geese unit to the sides of a small star block.
- Sew a half square triangle unit to the sides of the two remaining flying geese units. Note the Blue Tiny Words & Snowflakes print should be on the outer corner of each block.
- Repeat with assorted blue and cream prints to make 20 blocks. They measure $12\frac{1}{2}'' \times 12\frac{1}{2}''$ unfinished.

Sashing

- Sew a Red Tiny Words & Snowflakes $1\frac{1}{2}'' \times$ wof strip to both long sides of a Light Blue Swirly Snowflakes $1\frac{1}{2}'' \times$ wof strip. Press toward the red fabric. Make 17 strip sets.
- Cut the strip sets into (49) $3\frac{1}{2}'' \times 12\frac{1}{2}''$ sections for sashing.

Cornerstones (Quarter Square Triangle Units)

(The fabric squares are cut slightly oversize and will be trimmed to measure $3\frac{1}{2}'' \times 3\frac{1}{2}''$ square)

- Draw a diagonal line from corner to corner on the wrong side of a Blue Snow People $4\frac{1}{2}'' \times 4\frac{1}{2}''$ square. Place this, right sides together, on a Red Tiny Words & Snowflakes $4\frac{1}{2}'' \times 4\frac{1}{2}''$ square. Stitch $\frac{1}{4}''$ from each side of the drawn line. Cut apart on the line and press toward the red fabric. This will create two half square triangle units.

- Turn one half-square triangle unit to its reverse side and draw a diagonal line from one corner to another — the line will go across the seam.

- Position the two triangle-square units right sides together, with contrasting triangles facing each other. Align patch edges carefully.
- Sew together with two seams placed $\frac{1}{4}''$ from each side of the drawn line, the same method used to create the half square triangle unit. Cut the squares apart on the line, press units open and trim away "ears" at the ends of the seam allowances.
- Square to measure $3\frac{1}{2}'' \times 3\frac{1}{2}''$.

Sew Blocks Together:

Layout the blocks in a pleasing arrangement of five rows with four blocks. Sew the five rows together, alternating the blocks and sashing strips. Press toward the sashing strips.

Sashing Rows:

Sew six cornerstone blocks and four sashing strips together. Note orientation of the blue triangles. Press toward the sashing. Make six rows.

Alternate the sashing rows and block rows to complete the quilt top.

BORDERS

Your quilt may differ slightly in size, be sure to measure your quilt through the center in both directions for accurate border sizes. Press toward the borders.

Inner Border:

Piece Cream Let It Snow $2'' \times$ wof strips together end to end and cut:
 (2) $2'' \times 78\frac{1}{2}''$ side borders, sew to the quilt top.
 (2) $2'' \times 74\frac{1}{2}''$ top and bottom borders, sew to the quilt top.

Outer Border:

Piece Blue Tossed Hats & Mittens $4\frac{1}{2}'' \times$ wof strips together end to end and cut:
 (2) $4\frac{1}{2}'' \times 81\frac{1}{2}''$ side borders, sew to the quilt top.
 (2) $4\frac{1}{2}'' \times 74\frac{1}{2}''$ top and bottom borders, sew to the quilt top.

Layer with batting and backing. Quilt as desired. Bind with $2\frac{1}{2}''$ strips Light Blue Snow People
