

## Strip Tube Chevron

Measurements include  $\frac{1}{4}$ " seam allowance.  
Sew with right sides together unless otherwise stated.  
This pattern requires a basic knowledge of quilting technique and terminology. The quilt and block diagrams portrayed are virtual images.

### Supplies:

I used 3 shades from cream to black.

Cream & Black – 1.75 Meters

Grey – 3.5 Meters

Cut 10  $6\frac{1}{2}$ " strips from Cream and Black

Cu 20  $6\frac{1}{2}$ " strips from Greys

Using strip tube ruler cut 6 HST squares from each strip

Press HST toward dark and trip square down to  $8\frac{1}{4}$ "

I would lay blocks out to see the order you want your chevron's and sew blocks together row by row to make sure your order stays. I went 10 blocks across and 12 down
