

BI-MONTHLY RECYCLING PICK-UP

Please use the clear bags that CIDR has provided and purchased from your local Chatsworth hardware store for recycling items only. CIDR provided bags will be available for you to pick up at the Chatsworth Town Hall. Please note the importance of using clear bags as this enables us to distinguish the difference between your recycling and your garbage. **Please feel free to place various recycling items in the same bag and please tie all bags securely!**
