

WHO DOESN'T LOVE FREE FABRIC!

What is Saturday Sampler?

Saturday Sampler is a Block of the Month program with free fabric!

Here's how it works – You have to pay a registration fee, show up to our monthly meetings with your previous month quilt block finished and we'll give you fabric to make next month's block for FREE!

FAQs

What happens if I miss a month?

No problem! Just come in at any time and you can pay \$9.00 for your block kit to get caught up! If you need us to mail it to, we can for a \$4.95 shipping fee.

Does the program include the complete quilt top?

No. The blocks are the only free part of the quilt. If you would like to finish it the way we have planned the project, you will have to reserve a finishing kit that is sold separately. Backings are also sold separately.

Do I have to buy a finishing kit?

No. There is no obligation to finish the quilt the way we have it planned.

Do I have to come to the meetings to get the free block fabric?

Yes. This program does not have a lot of fabric so it's very important that you sit through the meeting so we can go over any special cutting instructions and tips and tricks where necessary.

Can I sign up for more than one space in the program?

Yes, but we are only offering 1 free space per person. Each additional space would be charged a discounted registration fee and \$9.00/month for the blocks. Only 1 pattern will be given.

Can I join anytime?

No. We have to plan the fabric so once we've locked in our orders and closed the registration it will be difficult to add you even if you want to pay to catch up. You can ask to be put on a waiting list and we will contact you if you can be added. However, the best way to know when we're starting a new series is to sign up for our newsletter so you can register for our next session.

I don't live near you, can I still join?

Unfortunately we are not shipping this program at this time, however, if we can kit the quilts at a later date we will offer those to our online customers when available.

If you still have questions, give us a call (201) 385-7178 or email us at info@thequiltpotnj.com
