

The Apprentice

Sewing Machine - ND50e

Start/stop button

Sew with or without the electronic foot controller attached.

Loaded with stitches

50 built-in sewing stitches including 5 one-step buttonholes.

Built-in needle-threading system

Complete with a new higher-end advanced needle-threading system that makes threading easy.

Quick-Set™ drop-in top bobbin

Just drop in a full bobbin, pull the thread through the slot and start sewing.

Variable speed control

Fast or slow, your machine retains its full power.

A wide range of professional features

including 50 built-in stitches, 5 styles of auto-size buttonholes and more make this computerized sewing machine the perfect pick for adding style to your projects. Its bright LCD display screen with computerized stitch selection lets you choose from an array of decorative, quilting or heirloom stitches to embellish your wardrobe or add special touches to your decor. Experience virtually effortless sewing on denim, tweed and other thick fabrics with the exceptional feed system. Complete with a new higher-end advanced needle threading system that makes threading easy, seven included presser feet, fast bobbin winding system, Quick-Set™ bobbin and super bright LED-lit work area, the ND50e will help you turn clothing or any sewing project into stylish creations in no time!
