

Red Pine QUILT SHOP

Fall 2021 Quilting Retreat

November 10th to 14th

Registration Information

Retreat logistics:

- Check in time for the retreat will be 1:00PM on Wednesday or Thursday (you select your arrival day).
- The retreat is held at Maplelag Resort in Calloway, MN. The scenic resort is spread out beside Little Sugarbush Lake with a main lodge and multiple separate lodging facilities. Most beds at the resort are bunk beds with foam mattresses (top bunks are not used). You must provide your own bedding and towels. Groups of friends will share large rooms (separate bunks) and bathrooms. Singles or small groups may share bathrooms with other attendees. The Maplelag address is 30501 Maplelag Road, Callaway, MN 56521-9643. Check out their website at www.maplelag.com for additional information about the venue.

Retreat package includes the following:

- Everyone will be served an evening meal the day they arrive, three meals the remaining days and an amazing brunch on Sunday. Relax and let the awesome cooks at Maplelag do the cooking and the dishes!
- Meals and our sewing areas are located in the main lodge which is a short walk from your lodging.
- Lodging rooms are located in various buildings on the resort property and will be assigned randomly. Please provide a list of your roommates on the registration form so you're able to lodge together.
- The sewing room is arranged by groups based on the roommate list provided on the registration form. If you wish to sew with another group, let me know so we can keep you all together in the sewing area.
- A folding table and chair are provided for each attendee. You may wish to bring your own chair or a seat cushion so you're sitting a little bit higher on the chairs provided for better ergonomics. Tables are large enough to accommodate your sewing machine and a small or medium sized cutting mat.
- Multiple cutting stations are provided with 24" x 36" cutting mats. You need to bring your own rotary cutter and rulers. To ensure adequate walkways we do not allow additional cutting tables to be setup.
- Ironing stations are not provided. You can bring portable pressing tables if you wish or share a regular size ironing board with your group. Please be sure to note this on your registration form so we plan space accordingly. Make sure someone in your group brings a power strip and long heavy-duty extension cord (50 foot or longer). Large groups should bring more than one extension cord and multiple power strips.
- A surprise thank you gift for attending the retreat!

Planned activities:

- This retreat is designed to give you time to focus on your own projects. There are no planned group projects or classes. Bring UFO's that you need to finish!
- There will be a short technique demonstration each day.
- Show & Tell will be held on Saturday evening. Bring a special project or two that you've completed in the last year to share with the group (optional but encouraged!).
- We will have a snack area setup if you'd like to bring a snack to share (optional).
- Take a walk around the lakeshore or on the resort's many trails. Relax in the great room or library with a good book, puzzle, some handwork, or round up a group of friends for a game of cards.
- Maplelag has an amazing hot tub, steam room and sauna. Massages are usually available on-site during the retreat.
