Sierra to Sage

Shop Hop

2018

Theme: America the Beautiful Mystery

That's right! Save the Dates! The 11th Annual Sierra to Sage Shop Hop will be here before you know it. Shop Hop dates are September 6-8, 2018.

As usual some parts of the hop are going to be the same; others are going to be different. Each shop will be designing a quilted banner (similar to a table runner) that uses a stanza of the patriotic song, "America The Beautiful," as its inspiration.

These custom patterns will be given to each hopper as a heart-felt thank you for participating in the hop. The mystery is going to be where you will find which pattern.

We will be using charm holding pins for the 10% discount again.

Announcements:

People laugh at those who make plans, instead of laughing we are celebrating as A Stitch of Country is STAYING in Fernley!

Come check out how we changed the shop around. We are refocusing the shop so that Sue can be in both areas (store and classroom) to help with fabric selection while teaching class.

Sue has always had a great selection of Batiks and has relocated them to an area that will be easier for you to view color and print.

Sue has been a certified shop for Judy Niemeyer for some time and is now applying to become a certified instructor. Although her main focus will be teaching Judy Niemeyer and paper piecing she will continue to teach classes other than paper piecing.

Class Schedule:

<u>Paper Piecing</u> -	June 14 & 15, 2018	10:30AM - 4:00PM
Learn Judy Niemeyer's paper piecing technique. This class is a "Pick Your Pattern" class. Patterns and kits available for purchase prior to class. Come prepared to learn the technique of your choice; this is an open instruction class.
