That's right! Save the Dates! The 11th Annual Sierra to Sage Shop Hop will be here before you know it. Shop Hop dates are September 6-8, 2018.

Get Your Discount Pin While Supplies Last!! Charm holding discount pins will be available for purchase for \$12. These pins will entitle the wearer to a 10% discount on regularly priced items during the hop at each of the shop hop shops with sewing machines and sewing furniture being exempted.

Please be sure the clerk can see your pin before she or he starts ringing up your sale so you will be properly discounted.

As usual some parts of the hop are going to be the same; others are going to be different. Each shop will be designing a quilted banner (similar to a table runner) that uses a stanza of the patriotic song, "America The Beautiful," as its inspiration.
