

Spellbound Witch Hat Class

Get ready to add some handmade magic to your Halloween! In this class, you'll learn how to sew the Spellbound Hat by Polka Dot Chair. Whether you're making it as part of a costume, as festive décor, or just for a touch of witchy whimsy, this project is fun, creative, and perfect for the season.

The finished hat is approximately 16" tall by 20" wide. The interior circle has a 22-23" inch circumference. It fits "most" adults and includes instructions to slightly size the hat for a smaller circumference head. This hat is not intended for children.

You will have the option to make either a "quilted fabric" or "quilted patchwork fabric" version.

Learn how to:

- Sew with stabilizer and interfacing
- Create and shape a 3D project (not just flat sewing)
- Follow a commercial sewing pattern step by step
- Create edge finishing for a polished look
- Attach and sew curved seams
- Add lining for structure and a neat interior
